

# Tomah-Sparta Speedway

Technical update: Feb 28, 2018

Division: **Hobby Stocks**

**Engine 19)** No crate engines allowed

Is changed as follows:

GM 602 crate will be allowed;

- a) Must use Holley 4412 carburetor
- b) Must use stock cast iron exhaust manifolds as approved by Tomah-Sparta Speedway staff.
- c) Must use 6200 rev chip

**Special Notes:**

3. Jefferson Speedway Hobby Stock allowance:

a) Must run Jefferson Speedway weight rules.

- 1) Minimum total weight is 3400lb. 53% front axle, and 45% right side.
